2007

Güneşin Gözü

Ruhu, Güneş'ten bir parça
Ruhu, Renk Sarayı
Renkler neşeyle ve durmadan danseder
Zamanı gelince Gülen Geçitler'den dışarı uçar
Tuvaline konarlar

O'nun Güneşi hep parlar

İdil Taşbaşlı Yazıcı,
Mayıs 2015

Eye of the Sun

His Soul, a piece of Sun

His Soul, the Color Palace

Colors dance joyfully and ceaselessly

When time comes, they fly out from the Smiling Gates

And land on his canvas

His Sun always shines

İdil Taşbaşlı Yazıcı

Doğadaki mükemmellik, yaşamdaki heyecan, var olan herşeyin içindeki engin zeka, kendimi anlamaya yolunda bana rehberlik eden resim...

Yaşama adım attığımız ilk an ve belki de belli olan bütün hayat senaryomuz, basit bir sorunun egemenliğinde sürer.

Niye varız ..!

Bu sorunun yarattığı bilinmezlik ve ortaya çıkarttığı fantazi dünyamız, bizi yaratıcı olmaya iter.

Soruların varlığı ve cevapların yokluğunda, hayatın mucizesini gören, çelişkiler yumağında denge bulan insan mutlu olmayı seçer.

Mutluluk bir Seçimdir.

The perfection of nature, the thrill of life, the profound intelligence in every thing that exists, and art that guides me on the way to figuring myself out.

The first moment we meet life and the scenario of our life, which perhaps is pre-determined, folds out in the shadow of a simple question: Why do we exist ..!

The ambiguity brought on by the question and the fantasy world it opens up urges us to create.

In the presence of questions and absence of answers, man, who sees the miracle of life and finds a balance in the sea of contradictions, chooses to be happy.

Happiness is a Choice.
