Bizim Matbaa

Ben yiğit yazıcı

Benim için hayatta en önemli şey, kendimi özgürce ifade etmek ve bunu da 20 yaşımdan beri resim yoluyla yapıyorum.

Daha çok genç yaşlarımda aldığım bu kararı hayatımın sonuna kadar devam ettirmeye niyetliyim.

Kendi hayat amacımı kendimi tanıma, oluşturma ve aşmak olarak tanımlıyorum.

Resim ve sanat dünyası bu amacıma ulaşmamda bana hizmet ediyor.

İzleyici ile olan paylaşımım hayallerimi ve yaşamımı anlamlı kılıyor.

Varoluşumun anlamını soracak olursanız, farkındalık ve yaratmak derim.

Kendimi olduğum gibi kabul ediyor ve saygı duyuyorum.

Bilinmeyi cesaretle karşılamak benim en büyük silahım.

Misyonum, önce kendimin farkında olmak sonra ürettiğim eserleri insanlarla paylaşmaktır.

Doğaya olan hayranlığım bana sonsuz enerji veriyor.

Neşeyle hayata tutunmak benim mizacım.

Her zaman söylediğim gibi herşey bir seçimdir.

ve mutlu olmayı ben seçiyorum

I'm yigit yazici

To express myself freely is the most important thing for me in life, and I've been doing that through art since I was 20.

I'm determined to follow up this path I've chosen at a very young age, until the end of my life.

I define my goal in life as acknowledging, composing and extending myself. The world of art serves me to reach this.

My relation with the viewer makes my dreams and my life meaningful.

If you ask me the meaning of my existence I would say awareness and creating.

I accept myself as I am and I respect that. My greatest weapon in life is to embrace the unknown.

My mission above all is knowing myself and to share my work with people.

My admiration for nature gives me infinite energy and my nature helps me to hold on to life with joy.

As I have always said, everything is the result of a choice we make.

and I choose to be happy
